The
Competitive
SEPTEMBER 2020
Advantage

FROM THE PRESIDENT

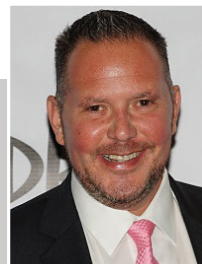

Welcome to *The Competitive Advantage*! We are pleased to bring you the August 2020 issue of the ADCC magazine created in collaboration with our friends and media partners, *Inside Dance*.

As we move into Fall, we're glad to see many ADCC Members have been able to continue their previously disrupted 2020 seasons. We are also delighted to see our member competitions and conventions working together to provide opportunities for dancers, sharing information and resources as we all find our way through the new normal, ensuring that events are safe and accessible.

The ADCC and its members wish you all the very best as we move through this transition season and look forward to 2021!

Warmest regards,

Sean Flanagan
ADCC President

Due to the COVID-19 situation, the ADCC Board decided to defer the ADCC College Scholarship program to 2021. Because of that deferment, in 2021, the scholarship program will be open to any 2020 or 2021 graduating high school senior who has been accepted into a dance or dance-related program at a four-year accredited college or university for the 2021-2022 school year, and who has competed in at least two ADCC Member competition events throughout the 2019, 2020, or 2021 seasons.

Applications should be submitted online—the 2021 Scholarship application form will be posted online and available when the Scholarship program resumes in mid-2021. Applying is easy. Students just complete an online application form, and provide attachments including a personal essay, a high school transcript, and a headshot.

Information and applications will be available online at:
theadcc.org/programs/scholarships.
