PRESENTING SOE REGIONAL AWARDS:

1. At each competition/convention event, choose ONE winner of the ADCC Studio of Excellence Award.
2. Print out and use the ADCC SCRIPT provided to present the ADCC Studio of Excellence Award.
3. Let winners know that there's a QR code and instructions on the back of the banner—how to go online and register as a Studio of Excellence, so they can be listed on the ADCC website and in our publications.

AFTER YOU PRESENT SOE REGIONAL AWARDS:

Provide information on your SOE winners. We do ask SOE winners to complete their own registrations online using the new QR code, but many do not remember, so if you'd like to submit information / photos for your winners, that would be great. Just scan the QR code to go online and register each of your winning studios with the form on the ADCC website.

OR send a list of your winners to erin@theadcc.org with this basic information for each: Studio Name, Studio City, Studio State + ADCC Competition Name, City, and Date. You can also send photos of your winners to erin@theadcc.org for use in ADCC publications.

THIS INFORMATION IS ALSO ON THE ADCC WEBSITE: [THEADCC.ORG/PRESENTING-SOE-AWARDS/](https://theadcc.org/presenting-soe-awards/)
