COMPETITIONS & CONVENTIONS

The  
**Competitive**  
JULY 2021  
*Advantage*

2021

## FROM THE PRESIDENT

Dear colleagues, members, and friends,

Here's hoping this first 2021 issue of **The Competitive Advantage** finds you well!

The ADCC has been working to serve its competition and convention members during the monumental challenges of the past year, and as we are slowly returning to regularly scheduled events, we'd like to take the opportunity to reflect on the strength and resilience of our dance competition community.

Like everyone during this difficult time, our members have been experiencing hardships and disrupted plans, but we have been touched and inspired by the eagerness of the young dancers we all serve—to be together, to celebrate dance and the spirit of sportsmanship and camaraderie that competition provides.

The ADCC's 8th Annual Meeting will be held in person this year, September 20-22 in Orlando, Florida, where members will gather to share their knowledge and experience, to learn from one another and experts in the field, and to face the future in the best way we know how—together.

We are grateful that your dancers have had the opportunity to perform this year, and acknowledge the hard work by every studio and every ADCC member competition and convention to make sure that happened.

In this issue, we begin by celebrating our **2021 ADCC Studio of Excellence** winners, and share some of their reactions to earning this award, given at each participating competition to the studio that best exemplifies the values of The ADCC, which include working together and striving for excellence.

As the 2021 season draws to a close, I wish you all the best, and a rewarding, fulfilling—and hopefully less stressful 2022!

Warmest regards,

**Sean Flanagan** | ADCC President

## What the ADCC Studio of Excellence Award Means

We are so excited to have won ADCC's Studio of Excellence Award! As a studio, we take pride in our dancers, choreographers, and parents to maintain outstanding sportsmanship and professionalism. We appreciate our competition and convention partners for making this experience possible. Our dancers were so excited to be able to perform on stage after so many months. Thank you for this opportunity!

**San Clemente Dance & Performing Arts Center, San Clemente, CA**  
Rainbow National Dance Competition

With all the hard work my students have put in over the last year and half—preparing for the 2020 comp season, having it be completely cancelled, and then continuing to work hard in preparation for this current season—it felt so amazing to win the ADCC Studio of Excellence Award at our first competition back!

**Kelley Ann Dance Center, Portsmouth, RI**  
StarQuest Dance Competition

This year has been such a challenge for everyone. Our motto this year is "Grateful For The Opportunity." Dancing has certainly brought smiles to our dancers when they haven't had much to smile about.

**Broadway Bound Performing Arts Center, Merrimack, NH**  
Groove Dance Competition

We were truly honored to receive this award. We strive to make sure the students, staff and parents are respectful, helpful, on time. We encourage our dancers to have fun and perform to the best of their ability. This year has been a challenge for everyone but we decided to knock down walls and make our studio large enough for a "stage," and bring the competitions to us since our state is still so strict. So it has been such a great experience and we even share our "stage" with local studios who can't/won't travel out of state as well.
