

THE #1 DANCE STUDIO
COMPETITION RESOURCE

From the President

Dear dance industry colleagues and friends,

Happy to present the August 2022 issue of **The Competitive Advantage** as the 2021-2022 season comes to a close, and we are deep into plans for the coming season.

The ADCC is making progress on its goals for the year, including continuing to celebrate the outstanding studios honored as **2021-2022 ADCC Studio of Excellence** winners for the current season. This award is given at each participating ADCC competition to the studio that best exemplifies the values of the ADCC, which include working together and striving for excellence. In this issue of the magazine, we acknowledge all who have registered between May 1, 2022 and June 30, 2022.

We appreciate how all involved in the competitive dance world have risen to the challenges over the past two years, and have shared their strength and resilience—many of the statements we receive from ADCC Studio of Excellence honorees recognize the communal effort that the past two years have taken, and we are honored to work alongside such dedicated dance professionals.

The ADCC goes into its Annual Meeting in September, planning our next two years with that spirit of strength and cooperation at our backs.

We look forward to the 2022-2023 season hoping that it will fulfill its promise as the best ever for all of us.

Warmest regards,

David Sanders | ADCC President

ADCC Studio of Excellence
