2023 VOLUME 1 COMPETITIVE ADVANTAGE

THE #1 DANCE STUDIO COMPETITION RESOURCE

From the President

Dear dance industry colleagues and friends.

Welcome to the first issue of **The Competitive Advantage** for 2023 — here's hoping it finds you well! We hope you find plenty of opportunities to compete and grow in the hundreds of events listed here for next season.

In 2023, the ADCC has been busy celebrating its first 10 years as a dance industry trade association, continuing to serve its competition & convention members, creating opportunities for networking and education, along with access to resources, and a great sense of camaraderie.

In this issue, we begin celebrating our 2022-2023 ADCC Studio of Excellence winners. This award is given at each participating ADCC competition to the studio that best exemplifies the values of the ADCC, which include working together and striving for excellence. More winners will be listed in the next two issues as well.

The ADCC's Annual Retreat will be held September 18-20 in Phoenix, Arizona, where members will gather to share knowledge and experience, to learn from one another and experts in the field, and to gain insights that will help make our industry stronger and more diverse.

As the 2022-2023 season draws to a close, I wish you a hopeful and fulfilling year in 2024!

Warmest regards,

David Sanders | ADCC President Legacy Dance Championships

" I (parent and teacher) had the pleasure of attending a dance competition hosted by Headliners, and I must say it was a great experience overall. The venue was top-notch and provided a perfect setting for the event. The staff at Headliners were fantastic. They were organized and efficient, making the event run smoothly. Additionally, the videographer was phenomenal. I highly recommend Headliners for anyone looking to attend a high-quality dance event."
