THE #1 DANCE STUDIO COMPETITION RESOURCE

From the President

Dear dance industry colleagues and friends,

Welcome to the third and final issue of **The Competitive Advantage** for 2023. We hope you find plenty of opportunity within these 2023-2024 tour dates from our ADCC member competitions, and that those occasions help you build your best competition season yet with your student dancers and staff.

In this final issue for the year, we continue to celebrate the outstanding studios honored as **2022-2023 ADCC Studio of Excellence** winners for the recently completed season. The Studio of Excellence award is given at each participating ADCC competition to the studio that best exemplifies the values of the ADCC, which include working together and striving for excellence. In this issue of the magazine, we acknowledge studios who registered between May 18, 2023 and September 7, 2023.

In just a few short weeks, the ADCC will hold its Annual Retreat—this year's theme is LEVEL UP— with sessions to inspire our members to level up the experiences they offer in meaningful ways. We appreciate our dance competition community, and look forward to seeing you throughout the 2023-2024 season!

Warmest regards,

David Sanders | ADCC President Legacy Dance Championships

" I (parent and teacher) had the pleasure of attending a dance competition hosted by Headliners, and I must say it was a great experience overall. The venue was top-notch and provided a perfect setting for the event. The staff at Headliners were fantastic. They were organized and efficient, making the event run smoothly. Additionally, the videographer was phenomenal. I highly recommend Headliners for anyone looking to attend a high-quality dance event."
