Competitive Advantage

Welcome to the June 2018 issue of *The Competitive Advantage*. We're delighted to bring you our magazine again this year in collaboration with our colleagues at *Inside Dance*

If you're not familiar with us, **The ADCC** is a national nonprofit trade association, united to promote quality, integrity, and opportunity within the dance competition and convention industry.

Our members are winding down their **2018 Regionals**, and gearing up for the excitement of Nationals.

This month's magazine offers congratulations to the first 2018 ADCC Studio of Excellence winners—competitors who best exemplify The ADCC's values: working together and striving for excellence. High fives all around!

July 1, 2018 is the deadline for our **ADCC College Scholarships**. Our program has awarded \$51,250 to 68 outstanding dance students over the past four years. Applications are available on our website: www.theadcc.org.

Have a great time at Nationals!

Ginny Faubell, Beyond The Stars *ADCC President*

THE COMPETITIVE ADVANTAGE | JUNE 2018

THE ADCC: ALL ABOUT QUALITY, INTEGRITY, AND OPPORTUNITY

You could say that starting a nonprofit trade association for dance competitions and conventions was kind of a no-brainer.

According to **ADCC Executive Director Tammy Hauser**, "We came to the realization that this multi-million-dollar industry didn't have a nonprofit trade association, and that if we did, competition owners could actually come together in a collegial, professional, and supportive environment to improve the industry as a whole."

In 2018, **The ADCC** marks four years of working together to promote quality, integrity, and opportunity within the dance competition and convention industry.

The ADCC's primary focus is on its membership of competition owners and staff members. At ADCC Annual Meetings, members gather to foster personal and professional growth through networking, mentoring, and professional development. "In addition, we recognize excellence through our Lifetime Achievement and Industry Excellence Awards," Hauser says. "And of course we help our members save money on purchasing through our group buying partnerships."

"I have grown my business through the vendors I met and the products and services they provide to ADCC Members."

Will Shover,Dance Machine ANDC

The organization began with just seven founding members, and has grown quickly. The key to **The ADCC**'s rapid growth has been a shared belief in the organization's purpose and mission.

New Board President **Ginny Faubell** of **Beyond the Stars** says, "We were able to build something from the ground up that was mission-focused, all about uniting the dance competition industry because we all believed in the same vision and were willing to work together to achieve it."

"I have saved money, grown my client base through *The Competitive Advantage*, and built lasting friendships."

Gina Urso-Dudash, EnerGy National Dance Competitions

Now, with third Board President Faubell leading a very active 10-member Board of Directors, **The ADCC** is growing by leaps and bounds. **The ADCC** currently boasts 33 competition members at Platinum, Gold and Silver levels, 500+ Studio and Studio of Excellence Affiliate Members, plus six Vendors and six Business Partners.

"We want **The ADCC** to represent the full range of competitions and conventions," Hauser says, "Our goal is to build a trade association that represents everyone's interests and drives our industry towards greater excellence going forward into the future."

ADCC PROGRAMS

Over the past four years, The ADCC has also developed programs that encourage quality, integrity, and opportunity in dance competition, while raising the industry's national profile:

The ADCC awards annual College Scholarships to outstanding ADCC competitive dancers across the country. **ADCC** Members present **Studio of Excellence** awards to recognize an outstanding studio at each of their regional and national competitions.

Industry Excellence Awards recognize outstanding work by dance competition staff members from across the country.

The ADCC presents a Lifetime
Achievement Award at The ADCC
Annual Meeting & Industry Awards
Gala, to a person who has made a
significant lifelong contribution to
the dance competition industry.

The ADCC Dance Dreams Award is an *invitation-only* opportunity for outstanding competition dancers ages 10-18 to take part in **Dance Dreams Powered by Gerber Tours**, a week-long immersive dance experience in New York City.

The ADCC publishes this magazine, *The Competitive Advantage*, three times a year, to help studios plan their competition seasons for next year.
